Elyria, Ohio 44035

NOTICE OF PUBLIC MEETING

Reconstruction, Repair and Resurfacing of East River Street PID #84213 --- LOR-East River Street

The City of Elyria is planning the reconstruction, repair and resurfacing of East River Street from the south corporation line to East Broad Street. This project has received ARRA (Stimulus) Funds.

The project will involve replacing existing curbs with ODOT Type-2 curb and gutter, widening of pavement to 24 ft. width, replacing existing sidewalks and driveway aprons with concrete, replacing existing traffic signal at Fourth Street, grinding and resurfacing of existing pavement, and other appurtenant work.

The City of Elyria will hold a public meeting on June 4, 2009 at 6:00 p.m. in Council Chambers on the 2nd Floor of City Hall located at 131 Court Street, Elyria, Ohio. City Officials and the Consulting Engineer will be available to provide information and answer any questions related to the project.

Please call the Office of the Engineer at (440) 326-1444 with any questions.

Very truly yours,

The City of Elyria, Ohio

Mukund R. Moghe, P.E.
