

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Our next step will be to propose new pedestrian and bicycle infrastructure based on your feedback and an existing conditions analysis.

Elyria Active Transportation Plan Public Input Worksheet

Lorain County Public Health is working together with the City of Elyria to create an active transportation plan. The goal of the plan is to make walking and biking in and around Elyria more accessible. We have recently started the planning process and right now we want to hear from you!

Fill out this worksheet to tell us about barriers to walking and biking in Elyria. Turn in your worksheet by September 30 at: Elyria City Hall or Lorain County Public Health
or by mail: 9880 S. Murray Ridge Rd. Elyria, OH 44035.
or scanned images and photos of completed maps by email: healthed@loraincountyhealth.com

Learn more about the project by watching this short video: www.cityofelyria.org/transportation
Question? Email: healthed@loraincountyhealth.com or Call: 440-322-6367

1. What is your relationship to Elyria? (check all that apply)

☐ Live ☐ Work ☐ Visit

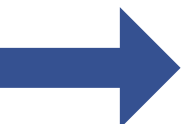

2. Walking and biking are important to me, because...

3. What are popular destinations in Elyria?

4. In your opinion, what are the key barriers to walking around Elyria? (Examples: safety concerns at intersections, sidewalk gaps)

5. In your opinion, what are the key barriers to biking around Elyria? (Examples: lack of shared use path/trails, speed of traffic along biking route)

Continue worksheet

If your comment corresponds with a specific location, number your comment and mark the location on the map with the same number. If you do not know the exact location, be as specific as possible in your description.
