Notice of 2022 Utility Rates

The City of Elyria is committed to providing the highest quality water, wastewater, and stormwater services to residents and other utility customers. In accordance with legislation passed by the Elyria City Council in November 2021, the following amendments to water, wastewater (sewer), and sanitation (refuse) collection rates on monthly utility bills will be **effective January 1, 2022**:

Basic Utility Rates Inside City Limits			
Monthly Residential ¾ & ¼ Meter		2022 Rates	Change from 2021
Water	Water (per 1 hcf*)	\$3.59	No change
	Homestead Exemption (per 1, 2, 3 hcf)	\$2.51	No change
	Monthly Service Charge	\$9.27	No change
	Homestead Monthly Service Charge	\$6.49	No change
Wastewater (Sewer)	Sewer Charge (per hcf)	\$10.25	Plus (+) \$0.43
	Monthly Service Charge	\$13.50	Plus (+) \$1.10
Sanitation (Refuse)	Sanitation (refuse) Charge	\$28.38	No change
	Sanitation (refuse) Charge - Homestead	\$19.87	No Change
Basic Utility Rates Outside City Limits			
Monthly Residential ¾ & ¼ Meter		2022 Rates	Change from 2021
Water	Water (per 1 hcf*)	\$5.42	No change
	Homestead Exemption (per 1, 2, 3 hcf)	\$3.79	No change
	Monthly Service Charge	\$14.00	No change
	Homestead Monthly Service Charge	\$9.80	No change
Wastewater (Sewer)	Sewer Charge (per hcf)	\$14.35	Plus (+) \$0.60
	Monthly Service Charge	\$18.90	Plus (+) \$1.54
Sanitation (Refuse)	Sanitation (refuse) Charge	\$39.73	No change
	Sanitation (refuse) Charge - Homestead	\$27.82	No Change

*1 hcf = 100 cubic feet of water; roughly 750 gallons.

Utility customers can expect to see these updated rates with the first full billing cycle.

This year, Water and Sanitation will have no rate change; however, Sewer rates have increased in 2022 to provide necessary revenue for the wastewater system improvements required by the Environmental Protection Agency (EPA) to improve water quality in the Black River and Lake Erie.
