No. of Dwelling Units? _____ Owner Occupied? _____

It is the applicant's responsibility to complete this application and provide all required drawings. If you haven't the ability to do so, please consult someone who does.

Note: For foundation REPAIRS and WATERPROOFING complete A & B. For REPLACEMENT WALLS complete the entire application.

A. Areas involved in repair/replacement Describe work to be completed: _____

B. Size and type of footing tile _____ Type and depth of stone-fill _____ Will footing water discharge by gravity _____ or by sump pump _____; Will the existing path of discharge be altered _____, If "yes" explain. _____

Note: A sump pump discharge must be connected to the City storm sewer if available, unless otherwise approved by the City. **In no case shall the footing drains or sump pump be permitted to discharge into the sanitary sewer.**

C. Submit a detailed cross-sectional drawing of the footing wall, sill plate, anchor bolts, tile, stone fill, method of sealing the wall, and identify all materials and dimensions AND complete the following:
Footing thickness _____; Footing width _____; Footing depth below grade _____; Foundation material _____; Size of sill plate _____; Type of anchorage _____; Size and number of windows to be replaced _____; (Areas below grade must be ventilated); Column pad thickness and width _____, etc.

Warning: If, during the course of construction, a connection pipe to the sanitary sewer is exposed, **the cross section must be removed and the water from footing drains shall be mechanically removed** by pumping it to an approved outlet. **The owner and/or contractor are responsible for requesting an inspection before covering or concealing any work and shall inform the City of Elyria of any exposed cross connections.** Failure to comply may result in legal action by the City of Elyria.

The undersigned hereby certifies that the information contained herein is accurate to the best of his/her knowledge. The undersigned owner or owner's agent, by commencing or authorizing commencement of work, takes full responsibility for compliance with City, State, and Federal codes relative to discharge of "clean" water to a sanitary sewer or combination sewer system.

Warning: Beginning work without permit in hand shall result in payment of a double fee (1317.07, Elyria Codified Ordinances)

Total cost of construction \$ _____.
