

Lorain County Comprehensive Safety Action Plan

Share your thoughts on transportation safety!

Page description:

Lorain County is creating a **Comprehensive Safety Action Plan** with the goal of making our streets safer by applying the [Safe System Approach](#) to eliminate fatal and serious injury crashes for all road users. Thanks for sharing your thoughts on how to improve transportation safety in Lorain County! Your input will help influence investments in the county.

1. In your opinion, which **behaviors** most contribute to traffic safety issues? (*Select up to three*) *

- Speeding
- Drivers do not stop or yield when they should
- People crossing outside of the crosswalk
- Impaired driving (alcohol, marijuana, etc.)
- Distracted drivers (smart phone use, etc.)
- Red light/stop sign running by drivers
- Red light/stop sign running by people biking, scooting, skateboarding, etc.
- Pedestrians crossing when the pedestrian signal has a “do not walk” symbol
- Other:

2. In your opinion, which **road design components** contribute to traffic safety concerns? (*Select up to three*) *

- Poor visibility
- Visual barriers at intersections (e.g., overgrown vegetation)
- Not enough light at night
- Accessibility for people with disabilities (e.g., curb ramps, push buttons)
- Lack of crosswalks
- Long distances to cross the street
- Not enough time to cross the street
- Lack of sidewalks
- Condition of sidewalks
- Lack of bike lanes and shared use paths
- Conditions of bike lanes and shared paths
- Other:

3. In your opinion, what should be done to improve traffic safety? (*Select up to three*) *

- Build safe streets and roads for everyone, including bike lanes, shared use paths, and safe crossings for people walking
- Reduce speeding
- Reduce driving under the influence of alcohol and drugs
- Reduce distracted driving
- Engage the community and offer education about traffic safety
- Be transparent with data and information and responsive with actions
- Other:

4. How do you currently travel most frequently? *

- Walking
- Biking, scooting, skateboarding, etc.
- Transit (bus)
- Driving
- Other:

5. If conditions felt safe, how would you **LIKE** to travel most frequently? *

- Walking
- Biking, scooting, skateboarding, etc.
- Transit (bus)
- Driving
- Other:

6. Is there anything else you would like to share with us as we work on this plan to create safer streets?
