

# Elyria 2024 Memorial Day Parade Application

Thank you for expressing your interest in participating in the 2024 Elyria Memorial Day Parade! We are thrilled to come together with you to commemorate the primary purpose of the day: honoring and remembering our fallen soldiers.

Please provide comprehensive answers to the questions below. The application deadline is Wednesday, May 8th at 12:00 p.m. The Office of the Mayor and Safety Service Director will review all applications weekly. If your application or organization is approved, you will be notified by a member of our team. At that point, you will receive final details regarding arrival time, staging location, and your designated division.

It's important to note that completing the application does not guarantee participation in the parade. Absolutely no campaigning is allowed, although elected officials are welcome to take part without engaging in active campaigning.
