## **Request for Water Leak Credit**

In the event of a documented loss of water due to a leak or other unforeseen circumstance on the customer side of the meter, resulting in more than the average consumption for the account, the customer may apply for a credit.

## Credit may be given under the following conditions:

- a. Proof of the repairs has been presented within thirty (30) calendar days of customer receiving high consumption bill; and
- b. The account holder has reported the leak to the Utilities Office on the appropriate form with all documentation required; and
- c. The account holder to present proof of such loss to the satisfaction of the City along with a brief description of the leak and the repairs made (provide description on back of form); and,
- d. A credit has not been granted within the past 24 months.
